

ADOPT ONE, SAVE ONE FREE! EVERY ANIMAL WHO FINDS A HOME, MAKES A PLACE FOR ANOTHER ANIMAL IN NEED.

**Heading for Home: Central Victorian Animal Rescue** is a small, community-based foster care rescue group based in the Macedon Ranges. All our animals come from pounds when they find themselves out of other options. We temperament test, desex, vaccinate, microchip and treat them for parasites. After all that we make them available for adoption.

**Our over-riding commitment** is to making a good match between our animals and their new homes.

WHATEVER KIND OF ANIMAL YOU ARE LOOKING FOR,  
YOU WILL FIND YOUR MATCH IN RESCUE: PURE BREED  
AND CROSS BREED; PUPPY OR KITTEN; LARGE OR  
SMALL; HAIRY, FLUFFY OR SHORT-HAIRED.
